COVID-19

As communicated by Director General of Indian Council of Medical Research (ICMR), GoI during VC held with all States on 07.11.2023, the details regarding Covid-19 testing and positives will not be available temporarily in the portal due to technical issues in ICMR portal and the concerned States to establish their own system of collecting data. Currently Karnataka State is making attempt to collect COVID-19 testing data manually from all districts.
